

A scenic view of a river at dusk, likely in Zurich, Switzerland. The water is calm, reflecting the warm lights of the buildings and street lamps along the banks. Several boats are docked along the right side of the river, and a bridge is visible in the distance. The sky is a deep blue, and the overall atmosphere is peaceful and picturesque.

Our staff really sees you. They will remember your drink order from day one, take the time to get to know your interests so that they could recommend that special hidden bistro that nobody else knows and even help you surprise your better half for your anniversary.

Some of our guests have been choosing us over and over again for decades, and the reason for that is simple: You are the best part of our success.

A FEW THINGS YOU MIGHT NOT HAVE KNOWN ABOUT RIVER CRUISING...

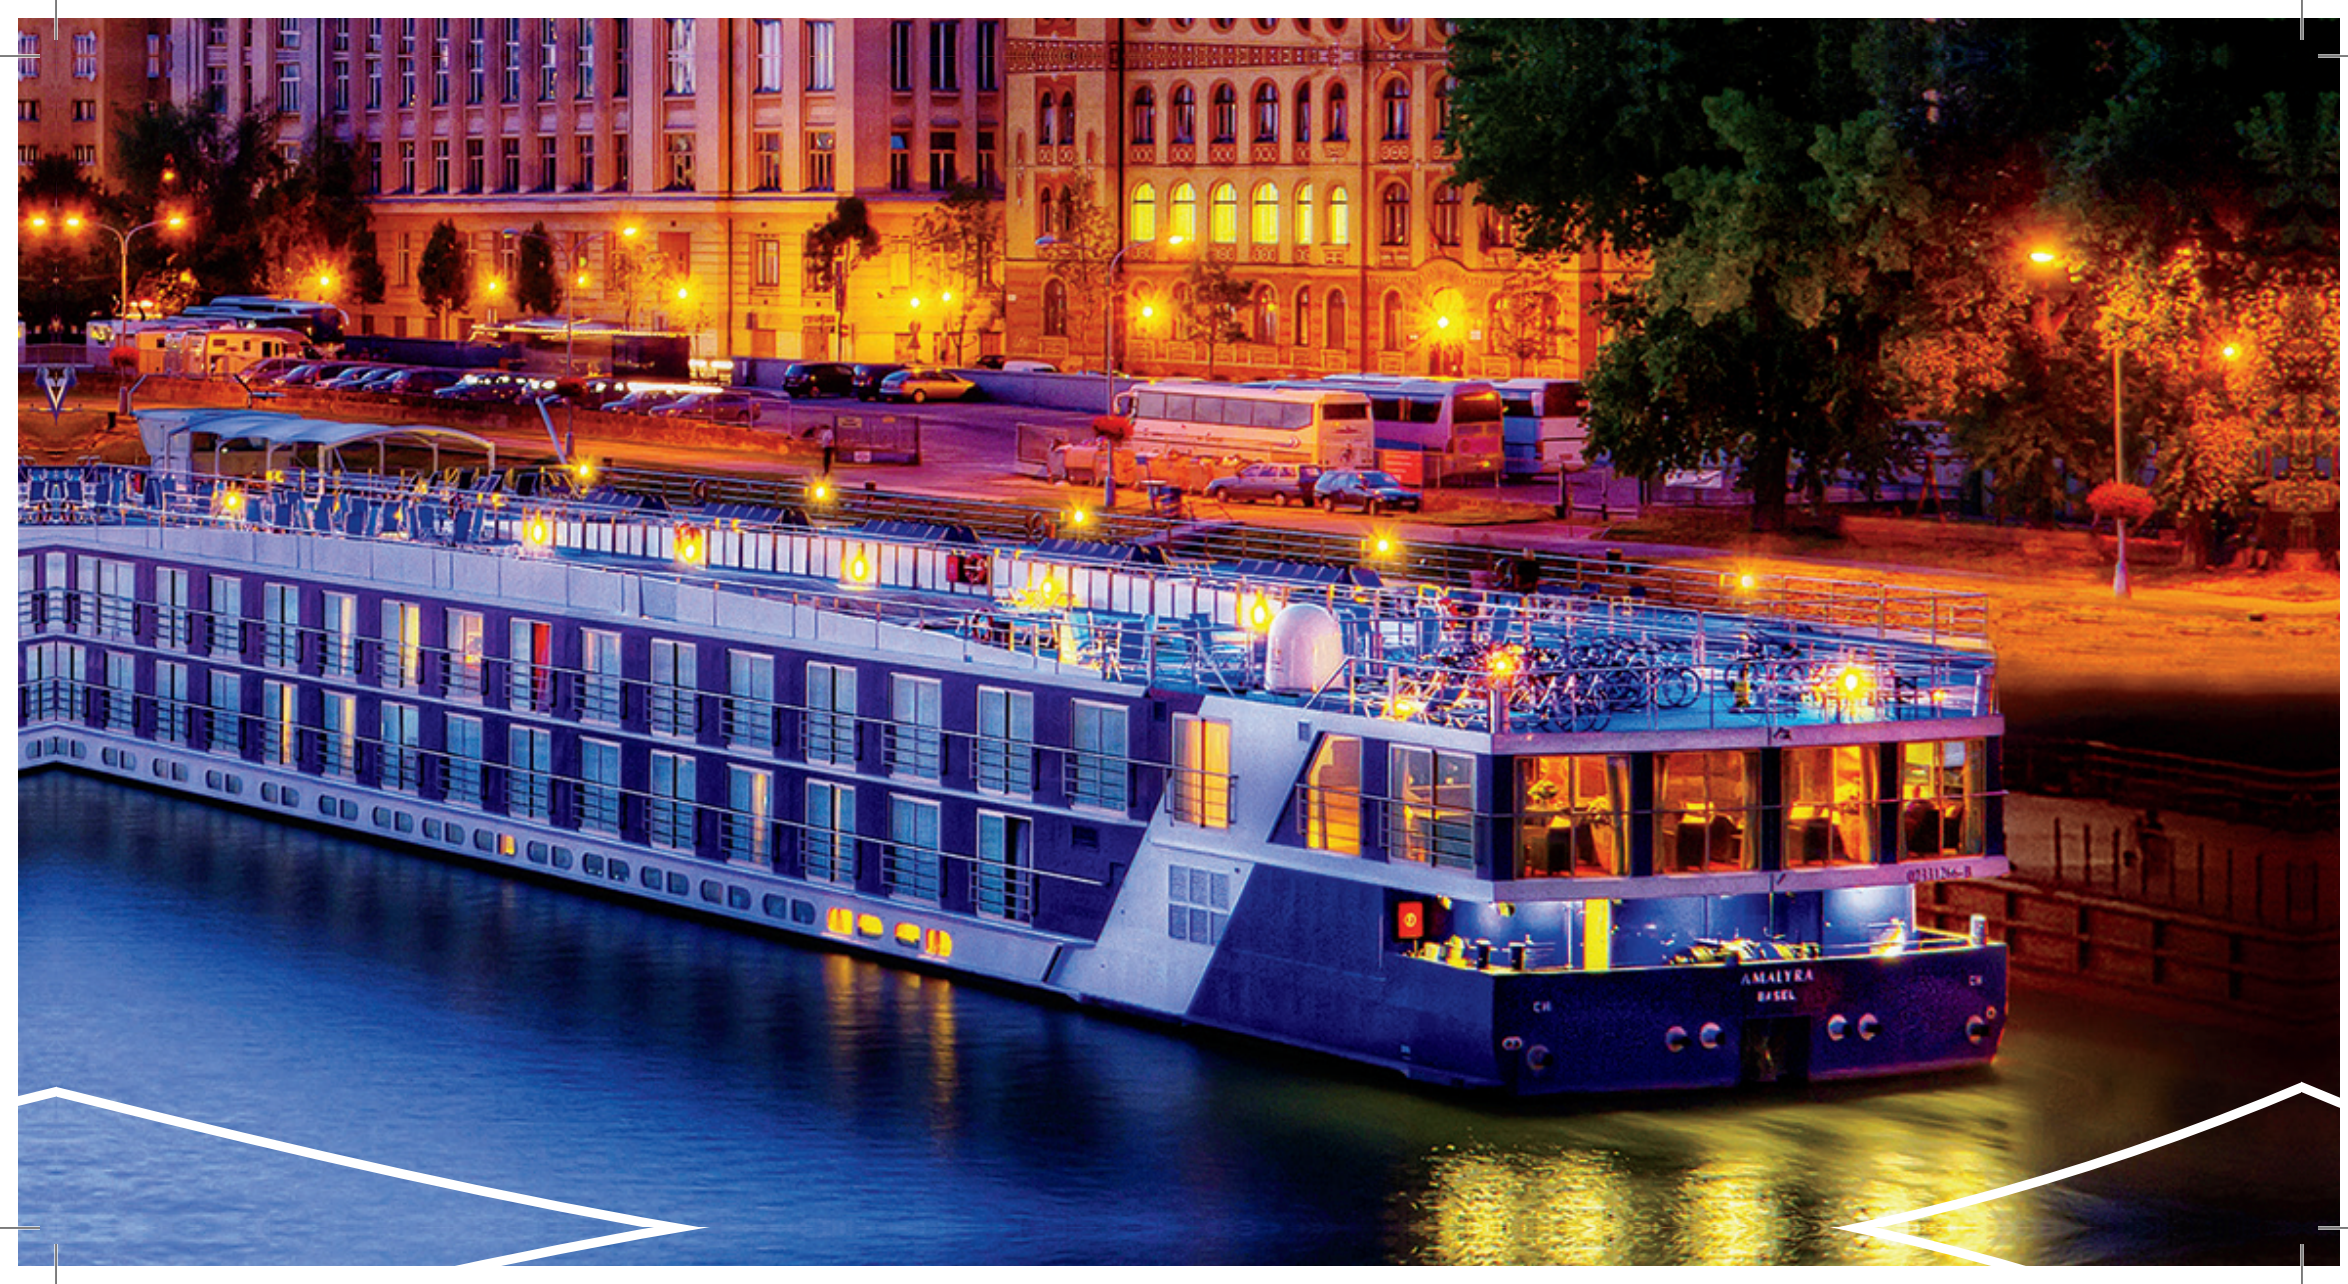

- 1.** River cruising is a relaxing, immersive and thoroughly enjoyable form of travel where you can enjoy ever-changing scenery along the river banks with **only having to pack and unpack once**, and without spending hours seating on a bus or driving a rental car.
- 2.** **You can forget about motion sickness on a river cruise!** You'll always have a view of land since river cruises do not enter open waters, and with a new port of call every day comes more breath-taking scenery!
- 3.** **Luxurious Accommodation with breathtaking view** are a huge part of the river cruise experience. Most river ships accommodate between 140-200 guests, some even fewer...
- 4.** **Visit places that the huge ocean cruises simply can't reach...** Whether you choose to travel in the on-season or the off-season, you'll be able to gain a deep cultural experience in each of your destinations.
- 5.** **Almost everything is included!** Drinking package, excursion package, Wi-Fi and onboard entertainment with a live band and local musicians!

Christmas markets in Europe offer enchanting experiences that capture the festive spirit of the holiday season.

These markets, steeped in tradition and history, transform towns and cities into magical wonderlands with their twinkling lights, aromatic mulled wine, and artisanal crafts. In Germany, the markets, such as those in Nuremberg and Cologne, showcase intricate wooden ornaments and savory treats like bratwurst.

Austria's markets, like those in Vienna and Salzburg, are renowned for their classical music performances and delicate handmade decorations. Budapest's markets, such as those in Vorosmarty Square, offer a unique blend of Hungarian folklore and international flair.

Meanwhile, Strasbourg's markets, known as the "Capital of Christmas," boast picturesque Alsatian architecture and a rich culinary tradition, with specialties like bredele cookies and spiced wine. Each market exudes its own charm, making them must-visit destinations during the holiday season.
